Titre du Cours

ANGLAIS III

I. Introduction :

The course is designed to help students develop strong writing and reading skills and desire more challenges in their English curriculum. Students will use the BBC Towards Advanced Course Links to an external site. as the main textbook. Advanced students will study literature that includes short stories, novels, poetry and plays. Grammar and usage are formally studied and stressed in all aspects of speaking and writing. Speaking and vocabulary development are included. Other supplementary activities may include book reviews, literature circles, writing critical essays and creative short stories.

Throughout the course, students are required to complete 15 pre-class assignments and take the final exam to acquire English proficiency.

- II. **Objective:** The goal of this course is to teach you to build beautiful websites. After taking this course, the student will be able to:
